## Paragon Sports Starts Work at Wheatley Heights Sports Complex

**San Antonio—July 2011**—Paragon Sports Constructors crews have begun work on the new synthetic turf field and running track at the Wheatley Heights Sports Complex in San Antonio.

Paragon Sports will be providing turn-key construction of the synthetic turf field and running track at the sports complex's new stadium. Desso D-Vision was the synthetic turf of choice along with Beynon's BSS 300 embedded track surface. MJ Boyle is the Construction Manager for the new sports park.

"This will be a first class athletic facility featuring some of the finest turf and track products available – exactly what Paragon Sports stands for," Bret Allen, VP of Sales and Marketing regarding the surface selection for the project.

"This project showcases the strength and versatility of our company. We are able to provide our clients a turn-key solution to their sports construction project as well as best-of-class turf and track surface options," said William Chaffe, President of Paragon Sports Constructors.

Paragon Sports is a turn-key sports construction company based in Fort Worth, Texas. They specialize in the construction of natural grass and synthetic turf sports fields and running tracks.
